Registration commences ***at your catchment school*** between 8 a.m. – 3 p.m. English Kindergarten Registration will be processed on a first come first served basis in accordance with our Student Enrolment Priorities. Please note, all families *must register at their catchment school*.

Determining your Catchment School

Each home address is associated with an elementary, middle and secondary school. To determine which schools are associated with a home address, visit the School Locator Tool. Type in the address and it will indicate which school the student should attend based on the address they reside at.

What is needed to register for Kindergarten?

To register a student in Kindergarten, a parent or legal guardian must provide school-age eligibility, proof of citizenship and proof of residential address. This information must be provided to school administrators at the time of registration at the student's catchment school.

For more information on the required documentation, see the district website as the requirements have recently changed.

The school will host a Welcome to Kindergarten session in May for all our new registrations and their parents for those coming in for September Kindergarten. We will also be involved in hosting a Ready Set Learn Event for 3 -4 year olds in the community. These dates are coming soon, please refer to our [Quadra School website](#) for updates. Some of our Kindergarten staff will be in attendance at this event. In addition there will be another one in early 2019, with date and time to be determined in the Spring.

We hope this is information helpful. If you have further questions, please contact us at the school.
