Principal's Notes ~ Hello/Bonjour Parents,
Dear Parents/ Guardians,

A message from our fantastic PAC:

Open PAC Positions

All families are automatically members of the PAC, and the PAC is governed by a board. All Board positions are up for election annually in June. Our PAC has been experiencing turnover as students leave for middle school. There are at least three empty seats on our PAC board for the 2020/21 school year, and a possibility of no PAC board if people choose not to return. If the PAC doesn't have a board, we risk losing out on about \$10,000 in gaming grants for our school, which are used to fund school buses for field trips, sports equipment, and other important opportunities. It also means that there will be no one to run PAC meetings, and coordinate many of our community events. This is not a substantial time commitment and positions can be shared!!

This is a fantastic opportunity for a new board and volunteers to come help shape our PAC and our school. It is also a wonderful way to learn and understand how your student's school works. The Quadra PAC strives to be an inclusive group of parents who work together to build the École Quadra community and raise funds for our school. We work to build and maintain positive relationships between parents and with the school.

If you're interested in learning more about the various positions on the PAC board, please come to a PAC meeting or email the Board at ecolequadraschoolpac@gmail.com for more information.

Have a good week!
