

Dear Quadra Community,

We have just completed our second week of school and the students have settled in extremely well to our new routines and protocols. We are very proud of all of them.

It has been a wet and rainy few days. It is very important that students have the opportunity to get outside and play in the fresh air. Covid-19 protocols suggest that we conduct as much learning as we can outside. We plan to send students outside rain or shine. Please **ensure that your child is dressed appropriately for wet weather**. The school cannot provide a change of clothes for students who get wet. Keeping an extra set of dry clothes in their backpack in case of emergencies is a good idea.

We have had a large number of students arriving late to school in the mornings. Please ensure your child is at school by 8:40am, for their safety and for the safety of others. If your child is late for school, please wait at the front door for a staff member to accompany them to their class. If you are late arriving at the school with your child, please wait outside and practice social distancing until we can accommodate your child. Patience and courtesy are expected. We are doing the best we can under very difficult circumstances.

Wednesday, September 30, 2020 is Orange Shirt Day. As we cannot come together for whole school assemblies, classes may be recognizing this important day in a variety of ways. We encourage students to wear orange that day as a way of coming together in a spirit of reconciliation and hope, because every child matters.

Reminder that Monday, September 28, 2020 is a Professional Development Day for our staff. There is **no school for students**. We look forward to having everyone back next Tuesday.

Have a safe and wonderful weekend!
