

# THE QUADRA WEEKLY BRIEFING

Dear Quadra Community,

I must start by wishing you and your families an incredible Spring Break. I would also like to thank all our families for the support you have shown throughout our school year to date . We look forward to seeing all our students again, after a restful break, for the final 3 months of what has been an interesting school year.

A few housekeeping items: Please do not sent your children to school with their own personal toys/play items. Things like Pokémon Cards, marbles, individual sporting equipment, etc are always at risk of going missing or getting wrecked, or even ending up on the roof of the building. Thanks for your understanding here.

## **From Our Wonderful PAC:**

“Hello wonderful Quadra families!

Quadra’s Got Talent will be happening online again this year on June 11th!

It’s still a long way off but Spring break provides a great opportunity for students to start thinking about how they might like to contribute and to begin fine tuning their skills for the show.

This year we will be looking for a number of students to create posters and advertisements to display around the school after the break, as well as the usual cast of video hosts and of course wide variety of talents and acts!

Please keep in mind that going virtual opens up a much wider opportunity to share whatever it is that you're great at! Past performances have included singing, dancing, playing instruments, sports, artwork, magic tricks, comedy skits, science experiments and SO much more!!!

More information and video submission deadlines will be announced after the break but please feel free to contact Erica at [quadrashines@gmail.com](mailto:quadrashines@gmail.com) if you have any questions or would like to find out how you can help.

\*\*\* LOOKING FORWARD TO SEEING US SHINE! \*\*\*”
