

Quadra Primary Play Space

The Parents Advisory Committee (PAC) at Quadra Elementary has been exploring options to provide an additional play space for the primary grades near the two Learning Studios. The PAC has visited local play spaces in order to gather ideas and options. The PAC has collaborated with Quadra staff and parents to ensure all parties comments and concerns have been heard with respect to a space that would provide the most benefit, safety, and enjoyment for the children.

After much discussion and in consideration of the budget, the proposal is to move forward with a hilltop slide, and a boulder and log play area. Not only will the area be a play space for the students, it can also be used as an outdoor meeting area for classes.

If you have any further questions or concerns please don't hesitate to contact mvistisen@sd61.bc.ca by May 1, 2021.

Location for the Proposed Primary Play Space
