

# THE QUADRA WEEKLY BRIEFING

Dear Quadra Community,

We have had more people reach out to express concern in terms of our pull through area at the beginning and end of every day. Please do your best to not block the sidewalk when turning into our pull through and remember to be kind to one another. We have had a number of parent volunteers working on the gardens in the front of our school. Our Bee and Butterfly Garden in the Nature Play area next to the upper field has recently received some much needed attention as well. Please remind your children that the wooden fence around the Bee and Butterfly Garden is there to preserve the plants and insects that live there. I would like to thank all our volunteers for the work they have done to make our school a better place.

**Masks:** Please remember that, in accordance with the BC Centre for Disease Control's March 30<sup>th</sup> Addendum, all students from grades 4 to 12 should wear a non-medical mask at all times while indoors at school (subject to the exceptions noted in addendum). Please send your grade 4 or 5 child/ren to school with a mask if possible. We will provide masks when needed.

**Out of School Care message:** Please remember to call in to Out of School Care if your child is not attending on a given day.

**Bottle Drive:** Please come out on Sunday to drop off your bottles (details below in PAC section).

**From Our Wonderful PAC:**

**Bottle Drive on Sunday - we need Volunteers!**

Please sign up using [the google sheet](#). We'll also have a work party happening in the back garden area and helpers would be appreciated for that as well.

**Bottle Drop-Off Sunday 10am-12pm**

Please drop off refundable bottles on Sunday between 10am and 2pm at the front of the school. The funds raised will help cover the cost of hoodies and a year-end celebration for the Grade 5 students, and also help toward the new playground equipment that PAC is purchasing.
