

# THE QUADRA WEEKLY BRIEFING

Dear Quadra Community,

As you can see from our Bike to School participation poster at the bottom of this message, many students biked, scootered or skateboarded to school this week. We are so proud to see our students taking up this important cause. They are doing their part to build a greener, more sustainable future. We loved seeing the community spirit, so thank you to everyone who participated in this event. And, keep on riding!

Of course there is no cost to attend, but please feel free to make an online donation if you'd like to help support this great event and other PAC projects in the future. (For contributions of \$20 and more you will receive a charitable donation tax receipt from School District 61.)
