

THE QUADRA WEEKLY BRIEFING

Dear Quadra Community,

As the rainy season is very much upon us, please remember to send students to school with appropriate clothing for the weather (change of clothes, boots, coats, socks). Please reach out to your classroom teacher or the office if you need help with this. On that note, donations of clean pants and socks that your student has outgrown would be gratefully accepted.

We are also asking our families to send students to school with a mask and, if possible, with a spare mask (or two!) in their backpacks. Students are frequently misplacing their masks and the office is handing out a large number of disposable masks every day.

Many thanks for your continued support of our school community.

From Our Wonderful PAC:

Our Loonie Emporium is a GO! We still need support in several areas from the day of to preparation. Please take a look and use the sign-up sheets so we can track. All volunteers at the school are required to be double-vaccinated and shifts are in 2-hour increments. We request you look and see where you can help out, the more helping hands the lighter the workload for all and it will make for a resounding success for our students.
