

# THE QUADRA WEEKLY BRIEFING

Dear Quadra Community,

Today marks the end of our District transfer process. For those of you who have applied, you should be hearing something next week. Monday is Valentine's Day and we know that many parents like to send sweet treats for their child/ren's class. Please ensure you follow any allergy protocols your class may have and only send pre-packaged items with clear ingredient labeling. Our teachers will be spending a day learning next Friday, Feb 18<sup>th</sup>. This is a Tri-District Professional Development Day (Sooke, Saanich and Victoria) so remember that there is no school for students next Friday. Finally, February 23<sup>rd</sup> is Pink shirt day. There will be a pre-taped, virtual assembly for all students on that day. I know we are still a ways away from the 23<sup>rd</sup> but I thought I would give parents some extra time to ensure your child has a pink shirt.

#### **Bullying Prevention and Intervention**

Unfortunately peer bullying is still an issue for today's children and one that often requires adult intervention. Young children have no special protection and must rely upon adults to keep them safe.

Stay Safe and Stay Healthy,
