

THE QUADRA WEEKLY BRIEFING

Dear Quadra Community,

It has been great to see parents back in the building for parent/teacher conferences. Kids have been buzzing about having their folks come in to see where they spend so much time. We have had a successful first week incorporating a more fluid play area model for our recesses. Our educational assistants were assigned to supervise different parts of our outdoor play areas and students moved throughout with fewer restrictions.

Halloween reminder: Students are allowed to wear appropriate costumes (no: face coverings, graphic depictions of violence, cultural appropriation, or weapons of any sort please). Students may also wear orange and brown or may choose not to wear a costume at all. As Halloween is on a Monday this year, we respectfully ask that students only come to school with one treat on Tuesday.

I would like to remind all families that we do not allow dogs on school property. This is for everyone's benefit and safety. You are encouraged to walk your pet with your family to school but I ask that you keep the pet on the outside of the fence/property during drop off. Thank you for your help in keeping all our students safe.

News from Our Wonderful PAC

The PAC has a few updates and/or requests for our community

-If you have new or gently used board games the teachers would love to utilize them. They can be dropped off at the school, attention Mme Tiringier

-If you have any new or gently used children's pants we are always in need. They can be brought into the office

-If you would like to volunteer for **any** events this year please complete the 2022-2023 volunteer call-out form. This allows the PAC to better manage the logistics of events and reach out to those that have expressed interest first.
