

# THE QUADRA WEEKLY BRIEFING

Dear Quadra Community,

We have had a great few weeks back after our Winter Break and students are 'back in the groove' of learning. Our French kindergarten registration week has come and gone and next week we start with our English Kindie students. Please see the following link for more information or call us directly:

We have a Professional Development Day next Friday, January 27, so please remember that there is no school for students on that day.

I apologize in advance for the repetitive nature of this next important item – our pull-through is strictly for drop off and pick up purposes. During both pick up and drop off, we ask that you only use designated spots and that you do not leave your car parked unattended. Please do not use any of our staff parking lots to park while you pick up or drop off as itinerant staff are coming and going throughout the day. On another note, please treat all our staff members with courtesy and respect; these folks go above and beyond every day for our students and a kind word goes a long way! Finally, be kind to each other as we are truly in this educational journey together.

## **News from Our Wonderful PAC**

The PAC is still in **need of volunteers** for our upcoming bottle drive on January 22. In addition, the PAC would like to do some garden cleanup work at the school. If you are able to support with any of those initiatives please complete our quick google form and let us know (we will be in touch after).
