

THE QUADRA WEEKLY BRIEFING

Dear Quadra Community,

Our kindergarten registration weeks, both French and English, have come to an end and next week marks the beginning of transfer week. If any of our families are looking to transfer to another school, the necessary forms will be available in our office. On another note, our grade 4 students completed the Middle School Development Instrument (MDI) this week. Information about the MDI was emailed to each grade 4 family.

The District Indigenous Education Department collaborated with Ms. Pollet, our music teacher, and Ms. Lewis, our Indigenous Youth and Family Counselor to create rattles with our indigenous students. A big thanks to Mr. Gordie Bear and his supporting team for their guidance and expertise. Further thanks to Ms. Lewis and Ms. Pollet. This was a great experience for our students and we thank all our parent volunteers for their help in this endeavor.

Please ensure that you read our PAC news section as there is a call for volunteers for the upcoming bake sale on Valentine's Day.
