-

Halloween reminder: Students are allowed to wear appropriate costumes (no: face coverings, graphic depictions of violence, cultural appropriation, or weapons of any sort please). Students may also wear orange and black or may choose not to wear a costume at all. As Halloween is on a Tuesday this year, we respectfully ask that students come to school with limited treats on Wednesday.

News from Our Wonderful PAC

Community Value Fundraiser Update

Good Afternoon Families of Quadra,

Thank you to all the parents and students who have participated in the coupon book fundraiser so far. We are raising funds to help with the much needed upgrade to our sound system in the gymnasium. So far we have raised \$997 which is incredible!

We still have another week to go before orders are due in so if you haven't got yours in yet that's completely fine. We will work to fulfill the orders as soon as possible and get them back to you through your teacher. For any clarifying questions please contact our executive team directly at connect@quadrapac.net which happens to be the same email you can send payments to. Please make sure your child's name & division is in the memo portion of the transfer.

If you plan to return the coupon book please do so ASAP through your teacher, as they are not free books and PAC is responsible for payment of them if not returned.

Also, our first Bottle Drive is coming up! We are looking for volunteers interested to help on the day of - November 5th from 10:00-2:30. Please email connect@quadrant.net if you are able to volunteer your time for this event!

Lastly, huge thanks to all the volunteers who baked and provided their time to make today's annual Halloween Bake Sale a success!

Sincerely,

Your PAC Executive

Parent and Caregiver Education Series:

Topic: The Gift of Neurodiversity
A strength-based approach for parents of kids diagnosed
on the spectrum

Foundry's Parent and Caregiver Education Series is a series of
sessions designed to provide parents and caregivers with a
strength-based approach to understanding and supporting
their child's neurodiversity.

Parents are encouraged to bring their child to the sessions. The sessions are
designed to provide parents and caregivers with a strength-based
approach to understanding and supporting their child's
neurodiversity.

Key Messages (Topics):
• Understanding neurodiversity
• Strength-based approach
• Finding support
• Finding resources
