Message From our PAC

Thank you to those that have reached out about next year's opportunities within PAC. Please take a few minutes to review our vacancies and put your name forward by emailing PAC at connect@quadrpac.net.

To see a list of all the potential positions available take a look at this document:

https://docs.google.com/document/d/14gl7mh3XhuJgY25CKR_LCMdvP1i7Di3Dg5JWTAi3X10/edit

Our goal is to have overall representation from both the English and French stream at all positions with the exception of the Treasurer, Communication Coordinator and Secretary which require one individual.

QUADRA'S GOT TALENT IS HAPPENING AGAIN!!

A reminder that submissions are due by May 31, please see the email sent earlier this week for all the details.

Grow Your Own Food 101 with the Compost Education Centre

On Thursday May 30, the Compost Education Centre will be offering a free introductory vegetable gardening course, [Grow Your Own Food 101](#). The course takes place online, from 5:30-7:00 and **registration is required at the link provided**. This workshop is tailored to folks who have received plants through *Get Growing* and want to learn more about how to give them the best chance of success. I've attached a graphic you can use to share directly with your GGV participants via email or newsletter; as space is limited, and the workshop is intended for GGV recipients, we'd prefer you don't promote it widely via social media.
