This spring, we are offering the opportunity for students in Grades 4 and 5 to be evaluated for characteristics of giftedness. The Gifted Student Identification Process is intended to help identify the portion of the student population that may be designated as “Gifted” (approx. 3%). The overall identification process involves the completion of three surveys, as well as the OLSAT (Otis-Lennon School Ability Test), which will take place at school during school hours on May 9th. Families can request their child to be assessed. Please email Tara Poole to refer your child: tapoole@sd61.bc.ca.
