Messages for peace

This November, each class created a beautiful wreath for our Remembrance Day assemblies with messages for peace. As a Quadra community, we think of our families who are affected by war in other parts of the world and wish for peace along with you.

Cold and Flu Season

As a community, we can all work together to stay healthy and well during these fall months.

Measures we can take to limit the spread of germs include:

- [Wash hands](#) frequently
- Cover coughs and sneezes with elbows
- Monitor and keep children home from school if they are experiencing symptoms of illness until they are well enough to participate in regular activities
- If you are unsure or concerned about any symptoms, connect with your health care provider or call 8-1-1

Please reach out if you have questions and communicate any student absences with our main office 250-382-8296 making sure to also inform your daycare or before/after school programs.

Thank you for your continued support to ensure the health and well-being of our school.
