## Annual K – 12 Student Transfer Process (February 9-12, 2026)

The annual K-12 Student Transfer Process facilitates requests from students at any grade level to transfer to schools outside of a designated catchment. To apply, you must complete and submit a hard-copy transfer form to your child's current school during the K-12 Student Transfer Process week in February.

Transfer application forms will be added to the school district webpage on February 6 at 4:00pm for families to download and print. In addition, students can pick up a hardcopy from the school office **beginning February 9**. Students are to turn in completed transfer applications to their current school's office during the transfer period from February 9-12. Applications will be received until 3:00pm on Thursday, February 12. Transfer application forms will not be accepted at school offices prior to February 9. Transfer applications will be determined in accordance with student enrolment priorities and, therefore, there is **no advantage in submitting transfer applications early**. Please submit your application form at your convenience during the communicated dates.

Cecilia Childcare Centre is accepting full time daycare spaces for toddlers aged 3-5. This site also serves Quadra families with K-Gr1 OSC spaces, as a second option for families there. They currently have about 10 open spots in our full day program, and at least as many in their OSC group there. Call 250-388-5251 Ext 232 for more information.

Your PAC prepared small gifts of appreciation for our crossing guard team on Friday morning, but they deserve our appreciation year-round!
